

Sports premium projected spend 2021/22

Impact for the year 2021/22

Ensure that children have a good outlook on what a healthy active lifestyle looks likes!

- 1) Children to be given support when needed in small groups or one on one to help support the development of fine and gross motor skills.

(reviewed termly)

- 2) Children to be given support to access physical activity outside of school hours working hard to ensure that children can see the links between school and the local sporting community.

(reviewed yearly)

- 3) Development supporting children to access high quality sporting events and competitive sport.

(reviewed yearly)

- 4) Children to be given the chance to access daily high quality and structured break and lunch time with a key focus on ensuring that children are active.

(reviewed weekly)

- 5) Ensure that most children have access to high quality competitive sport both inter and intra.

(reviewed termly)
