Yardley Wood Community Primary School
"Learning Through Life"

Friday 25th April 2025

Dear parents and guardians of 6B,

We hope this letter finds you well, that you have enjoyed the Spring holidays and the glimmers of sun amongst the showers. Ahead of next week we wish to inform you that Mr Adkins has finished his term with Yardley Wood Community Primary. Mr Miah, an experienced supply teacher, will be taking the class from Monday 28th April. The class and Mr Miah will continue to be supported by leaders in school in their SATS preparations and tests as well as in preparing for secondary school transitions.

We look forward to seeing the pupils on Monday,

Best wishes,
K Palmer
Deputy Head Teacher
