Dear Parent / Carers,

We are welcoming back Wendy Bantock, from the Communication Autism Team (CAT team) on:

Wednesday 19th March – this session will focus on understanding masking for children with Autism.

Tuesday 8th April – this session will focus on supporting sensory needs for children with Autism.

You do not need to have a pupil on the SEND register or with a diagnosis to attend the workshops, you are welcome to join us if you are simply interested in the area and want to find out more.

Workshops will run from 9.15 and be roughly 1 ½ hours.

Please register on the text link if you wish to attend.

Kind Regards
