

Yardley Wood Community Primary School
"Learning Through Life"

16th December 2024

Dear Parent / Carers,

I am pleased to let you know that next term we are working with the Communication Autism Team, to provide parent workshops to support parents and carers to learn about aspects of Autism.

The first workshop will be on **Wednesday 15th January at 9.15am**. The workshop will focus on **Supporting your child's emotional regulation**.

You do not need to have a pupil on the SEND register or with a diagnosis to attend the workshop, you are welcome to join us if you are simply interested in the area and want to find out more.

Following workshops are booked for **Wednesday 12th February** and **Wednesday 12th March**, at 9.15am, the areas to be covered will be planned with parents during the first session to ensure they are relevant to parent's needs.

We are also welcoming back the Parent Carer Forum, on **Wednesday 22nd January at 9.15am**. The topics covered will be confirmed next term.

If you are interested in attending the work shop on Wednesday 15th January, please click the link attached to the text message, to let us know. Further links will come out closer to the dates of the other sessions.

Kind Regards

Miss R Walls
