Re: End of year reports

Dear Parents and Carers,

The school uses a paperless end of year reporting system that provides every parent with the opportunity to receive their child's report online.

In July of this year, school reports will be disseminated in this way and we will be using the email address you gave permission for us to use previously. Also included this year will be outcomes of statutory testing in year 1's phonics screening, year 4's multiplications check as well as end of KS2 (year 6) outcomes.

If your email has changed in the last 12 months please inform the school office so the system can be updated.

If your child is new to the school in the last 12 months:

Please sign the form below to give permission for us to include your details on the system so that you receive your child's report as expected in July. Please indicate your consent using the form below. This will cover all children in your family attending school and in future years, unless consent is otherwise withdrawn. Please also provide the names of parents/carers requiring additional logins and indicate if this is specific to one child.

Please return forms to the office by Wednesday 24th June.

Thank you for your support,

Miss Palmer

Deputy Head Teacher

I (inset name)_____parent of _____give permission for school to provide access to the I-Track parent platform for the purpose of sharing pupil reports.

I would like the following email address to be used for this purpose:

Name of parent/carer	Email address	Specific to a child?
