**LITTLE DOTS PLAY VILLAGE**

Dear Parents / Carers,

7<sup>th</sup> October 2024

We are really pleased to be able to host Little Dots Play Village again this year, those of you from our Nursey will remember this from the summer term....but this year this will be in the run up to Christmas, on Tuesday 10<sup>th</sup> December.

Little Dots Play Village is an enriching play experience, with a focus on Personal Social and Emotional Development and Communication and Language. Both are extremely important areas of our Early Years Curriculum. This play experience will focus on 'people who help us', which is our theme for the term. As this is in the run up to Christmas, it will have a Christmas theme.

The children from each year group – Nursery, Rainbow Room and Reception RK and RE will take turns attending the Little Dots Play Village which will be set up in the Dance Hall at our school.

The cost for this is £6 per child. We have put this cost on Parent Pay so you can spread the cost and pay in instalments to make it more manageable if you prefer.

The children do not need to bring anything such as lunch.

Full school uniform required.

Yours Sincerely,

Miss Kelly and Mrs Eggerton
