

Yardley Wood Community Primary School
"Learning Through Life"

Dear Parents/Carers,

As part of their history topic in Autumn, Year 3 are studying Ancient Egypt. To help them with their class work, they will be receiving a visit from Primary History Workshops. The children will get to take part in lots of hand on activities to learn about Egyptian life. We have had similar workshops in previous years and they have always been hugely successful and enjoyable.

The event will be taking place in school on:

- **Wednesday 14th October**

The experience will last for a whole day starting at 9am. Therefore, can you please ensure that your child is in school promptly to avoid any disruption to the event.

In order for this visit to take place, we would ask for a contribution of £7.90 to help cover the cost of the event. No child will be excluded from the experience on the basis of inability to pay by the family, however, if the school does not receive sufficient contributions, the visit may have to be cancelled. Payment can be made in instalments if required-please discuss this with the office.

Please complete the permission and payment via ParentPay by **Wednesday 7th October.**

Yours Sincerely,
Year 3 Team

Year 3 Ancient Egyptian Experience

I give permission for my child: _____ Class: _____
to take part in the Ancient Egyptian experience

I enclose my contribution of £7.90

Yes ☐ No ☐

Signed Parent/Carer _____ Date: _____

If you are paying by ParentPay, you do not need to complete this slip.
