

Yardley Wood Community Primary School
"Learning Through Life"

19th January 2026

Dear Parent/Carers,

I am really pleased to be able to offer families, a new parent workshop run by the Communication Autism Team (CAT).

Following on from last year's parent courses I have re booked the Cat team to run a new course called 'Supporting Independence at School and Home.' The course will cover information and strategies around self-care, emotions, social interactions and play skills.

Your child does not need to be on the SEND register for you to attend, you may have children who are not at our school, or other family members who are diagnosed or under the assessment process, or just have an interest and would like to learn more.

The workshop will be on **Wednesday 4th February at 9.15am**. The workshop will be roughly 1 ½ hours.

If you are planning on attending, please can you complete the google forms below.
