Dear Parent / Carers,

I am writing to invite you to attend a parent workshop ran by the NHS Occupational Therapy Team about sensory circuits.

The workshop is on January 15th at 9.10 and will last roughly 1.5 hours.

If you would like to attend please register your attendance on the link below.

If you have already attended this course, please do not attend again as other parents will benefit from the place.

Kind regards

Miss R Walls
