

Yardley Wood Community Primary School
"Learning Through Life"

Dear Parents / Carers,

13th November 2025

We are planning a trip to the beautiful Martineau Gardens for our summer outing on Tuesday 23rd June 2026. Fingers crossed for some fantastic weather. The children will be doing outside activities and exploring the natural world.

Martineau Gardens is situated in Edgbaston. It is a beautiful community and charity garden situated two miles from Birmingham city centre. It is an oasis for wildlife and a heaven of tranquillity; a perfect outdoor escape.

The children will need to wear their school uniform and wellies or another suitable footwear. A light raincoat will be essential as we will be outside all day.

We will provide a school packed lunch for everybody. Please do not send any food or drink.

The cost for this is £18.40 per child. We have put this cost on Parent Pay so you can spread the cost and pay in instalments to make it more manageable if you prefer.

Yours Sincerely,

Miss Kelly and Miss Joyce
