LITTLE DOTS PLAY VILLAGE

Dear Parents / Carers,

14th November 2024

We are really pleased to be able to host Little Dots Play Village again this year on Thursday 11th December. The cost of this is £6.25 per child. This cost is on Parent Pay.

Little Dots Play Village is an enriching role play experience, with a focus on Personal Social and Emotional Development and Communication and Language. Both are extremely important areas of our Early Years Curriculum. This play experience focuses on 'people who help us' and as this is in the run up to Christmas, it will have a Christmas theme. It is magical and good plain FUN.

Many Thanks

Mrs Eggerton
