

Dear Parents/Carers,

We would like to invite all Year 1 parents and carers in to school for a phonics and reading workshop on Thursday 27th November.

The workshop will start at 9.10AM and finish at 10AM.

The aim of the workshop is to show you how we teach phonics and reading in school and provide you with the opportunity to find out how you can support your child at home. There will be resources for you to look at, as well as some useful handouts to take home. There will also be information about the Year 1 Phonics Screening Check.

If there are any bits about phonics or reading you would particularly like to know or you would like a demonstration of anything, please let me know before the day and I will endeavour to include this as part of the workshop.

Phonics is something that wasn't taught when most of us were at school so for some people it may feel like you are unable to support with it at home. We would like to help you feel more empowered with it and provide you with some basic information so you feel confident when working with your child.

If you would like to attend the workshop, please [fill in this online form](#).

I look forward to seeing you at the workshop on Thursday 27th November at 9.10AM.

Mrs John

Phonics and Early Reading Lead
