

Yardley Wood Community Primary School
"Learning Through Life"

Dear Parents / Carers,

November 2025

Year 3 Vikings Workshop

As part of their history topic in Spring, Year 3 will be studying Vikings. To help them with their class work, they will be receiving a visit from Primary History Workshops. The children will get to take part in lots of hand on activities to learn about Viking life. We have had similar workshops in previous years and they have always been hugely successful and enjoyable.

The event will be taking place in school on: **Monday 26th January 2026**

The experience will last for a whole day starting at 9am. Therefore, can you please ensure that your child is in school promptly to avoid any disruption to the event.

In order for this visit to take place, we would ask for a voluntary contribution of £6.70 to help cover the cost of the event. No child will be excluded from the experience on the basis of inability to pay by the family, however, if the school does not receive sufficient voluntary contributions, the Viking visit may have to be cancelled. Payment can be made in instalments if required-please discuss this with the office.

Yours Sincerely,

Year 3 Team
