

Yardley Wood Community Primary School
"Learning Through Life"

Friday 3rd October 2025

Dear Parents/Carers,

We are offering a **free online e-safety course** designed to help you better understand how to keep your children safe online. The course takes around **30–40 minutes** to complete but you can do it at your own pace and spread it out over time – no need to finish it all in one go.

At the end of the course, you will receive a **certificate of completion** and it's a great way to stay informed about the digital world your child is growing up in.

If you are interested in taking part, please fill out the below form and we will get back to you.
