Dear Parents/Carers,

September 2025

Year 1 Explorers and Polar Regions Workshop

As part of their history and geography topic, Year 1 will be studying Explorers and the Polar Regions. To help them with their class work, they will be receiving a visit from Dan Tastic Education. The children will get to experience first-hand what it was like to be an explorer in the Polar Regions.

The event will be taking place **in school** on **Tuesday 10th February 2026**.

The experience will last for a whole day starting at 9am. Therefore, can you please ensure that your child is in school promptly to avoid any disruption to the event.

In order for this visit to take place, we would ask for a voluntary contribution of **£13** to help cover the cost of the event. No child will be excluded from the experience on the basis of inability to pay by the family, however, if the school does not receive sufficient voluntary contributions, the visit may have to be cancelled. Payment can be made in instalments if required - please discuss this with the office.

Please complete the online permission form and make payment via your **ParentPay** account by **Friday 6th February 2026** if you wish your child to take part in these activities.

If you are unable to access ParentPay, in the first instance we ask that you contact the school office for help with this. Alternatively, you can complete the consent form below and pay the £13 workshop fee by cash.

All cash must be in a named envelope labelled "Y1 Polar Region Workshop".

Yours Sincerely,

Mrs Williams and Mrs John
